

NEVE

PORTABLE AIR CONDITIONER 4 IN 1 COOL+HEAT WiFi

Exposed air conditioning model Neve

Command | Energy label

RoHS

SPECIFICATIONS

| | |
|----------------------------------|--------------|
| Nominal voltage/frequency (V-Hz) | 220-240 / 50 |
| Maximum sound level | 65 dB |

| | |
|--------------------|----|
| Remote control | Si |
| Sliding window kit | Si |
| Evacuation tube | Si |
| Window connector | Si |
| Housing adapter | Si |

CARACTERÍSTICAS

- Portable Wi-Fi air conditioner.
- Fan and dehumidifier.
- Cooling + Heating.
- Smart mode.
- Night mode.
- 24-hour timer.
- Automatic diagnostic function.
- Oscillation function.
- Touch-sensitive setting button.
- R290 refrigerant gas: Non-toxic, free of harmful gases, and environmentally friendly.
- Remote control.

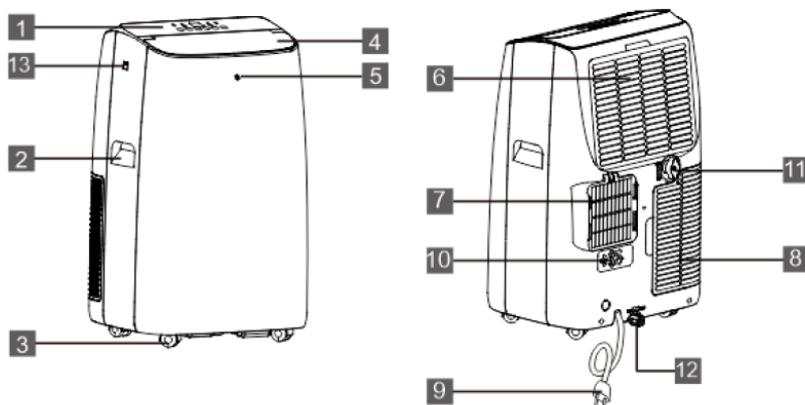

MODELS

| Code | BTU/Frigories | Indoor air flow (m³/h) | Maximum range* (m²) | Nominal power (w) | Cooling/heating capacity (W) | Cooling/heating input power (W) |
|-------------|---------------|------------------------|---------------------|-------------------|------------------------------|---------------------------------|
| NEVE12000WI | 12000/3000 | 390/280 | 30 | 1780 | 3500 / 3200 | 1345 / 1130 |

| Dehumidification capacity (l/h) | R290 (g) | Dimensions (mm) | Packaging Dimensions (mm) | Net Weight (Kg) | Gross Weight (kg) | Colour | EAN |
|---------------------------------|----------|-----------------|---------------------------|-----------------|-------------------|--------|---------------|
| 1,7 | 205 | 358*419*688 | 396*460*865 | 27,5 | 31 | Blanco | 8436039152144 |

*The range depends on factors such as isolation, orientation, type of plant....

SCHEME

1. Control panel
2. Handles on both sides
3. Wheels
4. Deflector
5. Remote control receiver
6. Intake grille
7. Air outlet grille
8. Intake grille
9. Power cable
10. Plug holder
11. Central drain
12. Hose outlet
