SPECIFICATIONS

Nominal voltage/frequency (V-Hz)	220-240 / 50
Maximum sound level	65 dB

Remote control	Si
Sliding window kit	Si
Evacuation tube	Si
Window connector	Si
Housing adapter	Si

CARACTERÍSTICAS

- Wifi portable air conditioning.
- Fan and dehumidifier.
- Night mode.
- 24 h timer.
- Automatic diagnostic function.
- Oscillation function.
- Touch setting button.
- R290 refrigerant gas: non-toxic, no harmful gases and environmentally friendly.
- Remote control.

MODELS

Code	BTU/Figories	Indoor air flow (m³/h)	Reach maximum* (m²)	Nominal power (w)	Capacity cooling (w)	Dehumidification capacity (l/h)	Cooling input power (W)
TIBET07000WI	7000/1750	320/260	18	1100	2055	0,54	790
TIBET09000WI	9000/2250	320/260	25	1300	2600	0,54	1000

*The range depends on factors such as insulation, orientation, type of plant, etc. ...

Code	Dimensions (mm)	Packing dimensions (mm)	Net Weight (Kg)	Weight Gross (Kg)	R290 (g)	Colour	EAN
TIBET07000WI	280*290*675	337*328*877	19,6	22.5	125	White	8436039152120
TIBET09000WI	280*290*675	337*328*877	20,8	23.5	165	White	8436039152137
